## Welcome Back PTA/PTSA's

### President's Message

Hello South Fulton PTA/PTSA Officers and Local Unit Members,

On behalf of the South Fulton Council, I extend warm greetings as we begin another exciting school year. Last year was filled with many challenges, but we are energized for a new start. This is our opportunity to build back our membership and make it even stronger by focusing on PTA's motto "Every Child, One Voice."

Today, PTA/PTSA's role is more important than ever in connecting parents, teachers and administrators, and supporting critical school needs. We want every family in our community to join their local school's PTA/PTSA because we can accomplish so much more by working together. Embrace this year's theme and "Just Ask" everyone you meet to join your PTA/PTSA.

The South Fulton Council is here to assist the local units with training and act as a liaison with Georgia PTA. We look forward to working along side you this year. Let us know how we can help support your goals.

Best wishes for a fantastic year,  
Kim Hartwell

## The 2022-2023 Reflections Theme is: Show Your Voice!

The Reflections Program is a National PTA and Georgia PTA cultural arts competition. Since 1989, over 10 million students across the nation have taken part in this popular PTA program. The purpose of this program is to provide an opportunity for students to use their creative talents by expressing themselves through their own original works.

Young artists get involved through their local PTA or PTSA. A student may submit an entry in any of six arts areas. Only original works of art are accepted. The six art areas are: Visual Arts Photography, Literature, Music Composition, Dance Choreography, and Film Production.

The deadline to submit your art piece to SFC PTA is NOVEMBER 3, 2022. For rules and regulations, required documents, and more information, go to [georgiapta.org](http://georgiapta.org) and click on Reflections. Please encourage your school to participate in this annual competition.
